CERTIFICATIONS

SAP Certified Associate: SAP Fiori Application Developer

PROFESSIONAL EXPERIENCE

Analyst
Deloitte USI| April 2024 - Present

- **Hewlett Packard Enterprise (HPE)**

Worked on quoting tool used to create quotes and then convert it to contract. Working as UI5 developer in HPE BRIM project for custom Fiori applications. Helped optimizing an application for mobile / Tablet devices by proactively finding solutions to give the best user experience across all the devices. Application is managed using GIT version control tool. Well- versed in SAP Fiori Tile Configuration and Theme designer . Had a strong exposure to SAP BTP services and its capabilities for the past 2 years.

Skills : SAPUI5/Fiori
Role: Fiori Developer

Associate Consultant
Atos | May 2021- April 2024

- **Share Point Tools**

I have developed a custom UI5 applications that is designed specifically for facilitating validations for submitting the forms based on various criteria by integrating OData services and JSON models and taking ahead with the approval functionality using various SAP Ui5 controls .

Skills : SAPUI5/Fiori
Role: Fiori Developer

- **Quick Dispatching Tool**

I have developed a SAP Fiori application using a flexible column layout. The application is designed to handle various maintenance order operations, including creation, updating, and reading of maintenance orders. This allows users to efficiently manage and track maintenance tasks and activities within the system.
